Online Test Result Inquiry

Instructions

1. Open your Web Browser.

2. Type www.Aculabs.com in the address bar.

3. This will direct you to Aculabs Home Page. On the right-hand side of the screen in the Laboratory Login area, enter your Username and Password then click Submit.

Click “Yes” to accept security certificate if/when prompted.

4. Click the Result Inquiry picture on this page or Click on Results on the menu bar.
5. You will see the following Security Information screen. **Click Yes** to continue.

![Security Information](image1.png)

6. On the next screen, enter information for the patient you are looking for and **Click on Start Search**. You can enter partial names if you don’t know the correct spelling of the patient name or you may enter the accession number if known. The more information you enter (i.e., first and last name), the shorter the list of names retrieved.

8. To view the lab results for your patient find and click on the patient name that matches the date of the test from the list displayed. You will be taken to the test results.

9. Review patient results. Test results can also be printed by clicking on the Print link located on the bottom of the screen.
10. To view a cumulative report of all test results for a patient, click on Cumulative report on the bottom of the screen.
